To all our Patients:

We hope this letter finds you and your family in good health. Our community has been through a lot over the last few years, and all of us are looking forward to resuming our normal habits and routines. While many things have changed, one thing has remained the same: our commitment to your safety.

Our infection control processes are made so that when you receive care, it's both safe and comfortable. We follow infection control recommendations made by the American Dental Association (ADA), the U.S. Centers for Disease Control and Prevention (CDC) and the Occupational Safety and Health Administration (OSHA). We follow the activities of these agencies so that we are up-to-date on any new rulings or guidance that may be issued.

You may see some changes when it is time for your next appointment. We made these changes to help protect our patients and staff. For example:

- You will see that our waiting room no longer offers magazines, children's toys and so forth, since those items are difficult to clean and disinfect. Please try to avoid bringing others, family or friends to your appointment unless arrangements have been made in advance
- Appointments will be managed to allow for social distancing between patients. That might mean that you're offered fewer options for scheduling your appointment. We have a large backlog of patients to reschedule, please be patient
- We will do our best to allow greater time between patients to reduce waiting times for you; we are trying to stagger appointment times as well. We look forward to seeing you again and are happy to answer any questions you may have about the steps we take to keep you, and every patient, safe in our practice. To make an appointment, please call our office at (570) 421-3751 or visit our website at [www.maganndental.com](http://www.maganndental.com)

Thank you for being our patient. We value your trust and loyalty and look forward to welcoming back our patients, neighbors and friends.

Sincerely,

Dr. W. Edmund Magann Jr. and Staff
